

Whizz Kids Academy

Building a strong foundation for a lifetime of learning

To Whom It May Concern:

April 11, 2016

My name is Peggy Corson and I am the Director at Whizz Kids Academy in Magnolia. Our center serves children ages one through five. Since we do not have an onsite playground, our children go on walks around the neighborhood or visit the park across the street. The children also go to Albertson's to buy supplies for projects.

Establishing a right of way control where the pedestrians including young children, would be safe seems to be a high priority. It has been the experience of my teachers that there is a safety issue at the crosswalk near Albertson's and the Mounger pool. I would like to implore with you that putting in a 4 way stop would make crossing the street much safer for the children and families in Magnolia. It makes perfect sense to invest in this much needed crosswalk to ensure the safety of the community.

Thank you for reading my letter and if you have any questions, please feel free to contact me.

Sincerely,

Peggy Corson
