**Re: Endorsement for Establishment of Right of Way Control**

**At the intersection of 32<sup>nd</sup> Ave W. and Raye Street, Seattle 98199**

As the owner and operator of Menchie's Frozen Yogurt, a business located at 3411 W. McGraw street, I support the Safe In Magnolia's efforts for the City of Seattle to take action and establish the Right of Way Control for the intersection located at 32<sup>nd</sup> Ave W and West Raye Street. This intersection is extremely busy for pedestrians, especially children who attend Catherine Blaine School and the hundreds who visit Pop Mounger Pool daily during the Summer months.

Please do the right thing, make our neighborhood a safe place for families and children by acting on this issue before something unfortunate happens at this locations.

Thank you for your time,
